(b) Public Questions		
(b) Public Questions		
There were no new Public questions submitted in advance within the designated time frame. The Chair outlined the extensive additional work that had been created by 2 residents continually submitted the same questions. It was agreed that, for transparency and due to the fact numerous people had already been copied into the emails, these would now be published on the website and Facebook with the responses provided. It was also resolved that no further responses will be provided as the rest of the work of the Parish Council will take priority going forward.		
It was noted that the covering letter of the new Allotment tenancy agreements contained a phrase that intimated the Council may choose not to accept new signed tenancies and that this was an issue of major contention, even though it is not in the actual tenancy. It was agreed that every tenant that signs a new tenancy before the 31st March 2019 will be guaranteed a new tenancy of their existing Allotment plot. This was unanimously agreed.		
AGREED: That the Parish Council would publish all correspondence received and responses sent from 2 residents. That the Parish Council will honour all Allotment tenancies signed before the 31st March 2019.
