

WOODLAND WALK WATERCOURSE UPDATE

We're looking after our local environment together

Concerns have been raised about the water in the rivulet showing signs of discolouration and odour.

The Parish Council has reported this to the Environment Agency, Burnley Borough Council, United Utilities and Lancashire County Council for investigation.

No official test results are available at this time and investigations are ongoing.

We will share further information as soon as we receive updates from the relevant agencies.

Thank you for your understanding and cooperation.

PLEASE TAKE CARE

DOG WALKERS:

Please prevent dogs from entering or drinking from the rivulet.

WALKERS & VISITORS:

Take care when passing through affected areas and avoid contact with the water.

Better safe than sorry!

Public Footpath

PLEASE AVOID CONTACT WITH THE RIVULET/WATERCOURSE while investigations are ongoing.

TAKE CARE AROUND THE RIVULET • FURTHER INFORMATION COMING PENDING TEST RESULTS
