## BRIERCLIFFE WITH EXTWISTLE PARISH COUNCIL

Jubilee Street
Briercliffe

Thursday, 05 June 2025

Dear Sir,

LA003 Briercliffe Parish Council

Please find submitted the 24/25 AGAR.

Could you please note the following.

The figures in Box 1 do not match, this is as the Parish Council is unable to go back through their bank accounts/accounts/statements to put this information together.

#### From our internal audit

"The bank is a fundamental element of the accounting statements and represents a key area of financial control. As such, it is essential that all financial transactions are accurately and promptly recorded within Scribe to ensure the integrity and completeness of the financial records. A robust internal control framework requires that routine bank reconciliations are undertaken and documented, comparing the bank balance recorded in Scribe against the actual bank statements. This process helps to identify and resolve discrepancies in a timely manner, ensures that all income and expenditure is accounted for, and provides assurance over the reliability of the financial reporting. Implementing this control on a regular basis will significantly strengthen the council's overall financial management and governance."

Going forward.

The Parish Council now has access to all bank statements and accounts and whilst it acknowledges that some financial information has been lost there are new policies and systems in place to prevent this happening again.

Yours sincerely

On behalf of Briercliffe Parish Council

- 1. Every smaller authority in England that either received gross income or incurred gross expenditure exceeding £25,000 must complete Form 3 of the Annual Governance and Accountability Return at the end of each financial year in accordance with Proper Practices.
- 2. The Annual Governance and Accountability Return is made up of three parts, pages 3 to 6:
  - The Annual Internal Audit Report must be completed by the authority's internal auditor.
  - Sections 1 and 2 must be completed and approved by the authority.
  - Section 3 is completed by the external auditor and will be returned to the authority.
- 3. The authority must approve Section 1, Annual Governance Statement, before approving Section 2, Accounting Statements, and both must be approved and published on the authority website/webpage before 1 July 2025.
- 4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, must return to the external auditor by email or post (not both) no later than 30 June 2025. Reminder letters will incur a charge of £40 +VAT:
  - the Annual Governance and Accountability Return Sections 1 and 2, together with
  - a bank reconciliation as at 31 March 2025
  - an explanation of any significant year on year variances in the accounting statements
  - · notification of the commencement date of the period for the exercise of public rights
  - Annual Internal Audit Report 2024/25

Unless requested, do not send any additional documents to your external auditor. Your external auditor will ask for any additional documents needed.

Once the external auditor has completed the limited assurance review and is able to give an opinion, the Annual Governance and Accountability Section 1, Section 2 and Section 3 - External Auditor Report and Certificate will be returned to the authority by email or post.

#### **Publication Requirements**

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2025 authorities must publish:

- · Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- Section 1 Annual Governance Statement 2024/25, approved and signed, page 4
- Section 2 Accounting Statements 2024/25, approved and signed, page 5

Not later than 30 September 2025 authorities must publish:

- · Notice of conclusion of audit
- Section 3 External Auditor Report and Certificate
- · Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review. It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

#### Accountability Return (AGAR) 2024/25

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide\** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any
  amendments must be approved by the authority and properly initialled.
- The authority should receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2025.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all
  the bank accounts. If the authority holds any short-term investments, note their value on the bank
  reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting
  statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and
  Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed
  accounting records instead of this explanation. The external auditor wants to know that you understand the
  reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not fully explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2024) equals the balance brought forward in the current year (Box 1 of 2025).
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the
  exercise of public rights of 30 consecutive working days which must include the first ten working days of July.
- The authority must publish on the authority website/webpage the information required by Regulation 15 (2),
  Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and
  address of the external auditor before 1 July 2025.

## 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A **limited** assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website — https://www.pao.org.uk/code-audit-practice/guidance-and-information-for-auditors/.
